

Hello Akiva Parents,

We are excited to announce that we will be offering an After School extended learning program for Akiva students. This after school program will be academic in nature and led by Akiva's STEAM Lead teacher, Ms. Eskew. The students will participate in engaging investigations such as designing a bouncy ball, a sugar cube engineering project, and creating a dyed flower. Below you will find program details. Please note there will be cross collaboration between students in different grades. If you would like your child to participate in this program, please make sure you complete [THIS FORM](#). Registration for this program is on a first-come-first serve basis, and each day will be capped at 10 students. Unfortunately, we cannot accommodate any drop-ins at this time.

Akiva's Extended Learning After School Program

- Monday and Wednesday: Grades K-2nd ONLY
- Tuesday and Thursday: Grades 3rd-6th ONLY
- There is no After School option on Fridays
- The program will run from 3:30-5pm. Please be sure you are prompt for pick up.
- Each day is capped at 10 students.
- The cost is \$15 per week per child and the entire quarter must be paid upfront (\$105 TOTAL per child)
- Students will be provided a small snack and will then participate in an engaging learning activity.
