

Dear School Teacher/Administrator/Parent,

This year, all submissions will be entered through a web-based platform called Art Call.

There are two ways your school can submit your student/s work.

Please see the instructions below for details. If you have any questions about your submission, do not hesitate to reach out by phone or email to mbrady@akivanashville.net or call 615-356-1880. Please ask for either Marissa Brady or Daniella Pressner.

We look forward to seeing all of the entries and thank you for the time and love you put into encouraging your children each day!
